

# Army:

## How to use this card:

- Look in your **War of The Ring Rulebook (page 85)**, choose a Faction and write the name in the box above.
- Choose an **Epic Hero / Legendary Formation** to lead your army, then write them in a Character or Formation box.
- Choose your **First Common Formation** and write them into one of the Formation boxes. (Remember to note where you want to include **Banners, Captains** etc in the **Command Company**)
- Choose the rest of your army, paying attention to the **Decrees of Rarity, Legends** and **Allies (page 86)**
- Work out the points totals for your Formations, Monsters and Characters.
- Go through the list and put a tick in the circle for every model from your list which you already own (you could also cross the tick to mark those you have painted!).
- Work out what boxes and blisters you still need to complete the army and write them in the Wish List over the page.
- This will allow you to keep track of your army as it grows, plan your purchases and make sure friends and relatives get you the birthday and Christmas presents you really want!
