**WARSCROLL**

**CHAOS CHARIOTS**

Swift Chaos Chariots thunder across the plains hunting for fresh prey. Drawn by corrupted steeds, the momentum of these constructs is a weapon of its own, and the charioteers take dark pleasure in crushing enemies beneath their heavy wheels.

**DESCRIPTION**

A unit of Chaos Chariots has any number of models, each armed with one of the following weapon options: Chaos Greatblade and Lashing Whip; or Chaos War-flail and Lashing Whip.

**MOUNT**: This unit’s War Steeds attack with their Trampling Hooves.

**EXALTED CHARIOTEER**: 1 model in this unit can be an Exalted Charioteer. Add 1 to hit rolls for attacks made with melee weapons by that model (excluding those of its mount).

**MARK OF CHAOS**: When you select this unit to be part of your army, you must give it one of the following Mark of Chaos keywords: **Khorne**, **Tzeentch**, **Nurgle**, **Slaanesh** or **Undivided**.

**ABILITIES**

**Don’t Spare the Lash**: These cruel charioteers know how to get the most out of their beasts of burden.

Once per battle, this unit can run and still charge later in the same turn.

**Swift Death**: Chaos Chariots are at their most deadly on the charge, where their considerable bulk and bladed wheels can cause untold devastation.

After this unit makes a charge move, you can pick 1 enemy unit within 1” of this unit and roll a number of dice equal to the charge roll for that charge move. For each 5+, that enemy unit suffers 1 mortal wound.
