DESCRIPTION

Slambo is a single model. He is armed with a pair of Chaos Axes which he uses to carve apart enemies at close quarters. He can also hurl them at cowardly foes who refuse to come close.

ABILITIES

Legendary Killer: If Slambo charges, he can pile in and attack twice in the following combat phase instead of only once. The second pile in move and attacks are made immediately after the first set of attacks is completed.

Glory-seeking Axeman: Add 1 to hit rolls made for Slambo if the target is a **HERO** or **MONSTER**. If Slambo kills a **HERO** or **MONSTER** in a combat phase, he doubles the number of attacks he makes with his Chaos Axes in the next combat phase.
