

SAURUS ASTROLITH BEARER

Inscribed with complex geometric and astrological symbols, an astrolith is a conduit for the power of Azyr. Those Seraphon in the presence of such an icon fight all the harder, empowered by the energies of the heavens radiating from the artefact.

DESCRIPTION

A Saurus Astrolith Bearer is a single model armed with a Celestite Warpick and Fearsome Jaws.

ABILITIES

Celestial Conduit: *An astrolith increases the flow of celestial magic in the vicinity.*

Add 1 to casting rolls for friendly **SERAPHON WIZARDS** while they are within 12" of any models with this ability. In addition, add 6" to the range of any spells cast by friendly **SERAPHON WIZARDS** while they are within 12" of any models with this ability.

Revivifying Energies: *The cosmic energies emanating from an astrolith protect nearby Seraphon, sealing the most grievous wounds in flashes of cerulean light.*

Roll a dice each time you allocate a wound or mortal wound to a friendly **SERAPHON** unit wholly within 12" of any models with this ability. On a 6, that wound or mortal wound is negated.
