### DESCRIPTION

A unit of Gorgers has any number of models. They attack with their filthy Long Claws and terrible Distensible Jaws.

### ABILITIES

**Ambushing Hunters:** Instead of setting up this unit on the battlefield normally, you can place it to one side. If you do so, then in your first movement phase set up this unit anywhere on the battlefield and more than 12" from any enemy models. This is the unit's move for that movement phase.

**Insatiable Hunger:** Gorgers can charge even if they made a run move in the same turn.
