DESCRIPTION

A unit of Ogors has 3 or more models. Some units are equipped with Ogor Clubs or Blades in one hand and a spiked gauntlet called an Iron Fist in the other, which they use to bat aside an enemy's blows before punching them in the face. Others instead prefer to wield an Ogor Club or Blade in each meaty hand.

CRUSHER

The leader of this unit is a Crusher. A Crusher makes 4 attacks rather than 3.

BELLOWER

Models in this unit may be Bellowers, who roar at the foe with incredible volume. Subtract 1 from the Bravery of enemy units that are within 6" of any Bellowers.

ICON BEARER

Models in this unit may be Icon Bearers. Some Icon Bearers hold aloft a Great Beast Skull, whilst others carry a Tribal Banner. Some Tribal Banners also sport makeshift crow's nests in which Lookout Grots give warning of incoming fire.

ABILITIES

Bull Charge: You can re-roll wound rolls of 1 for an Ogor unit if it made a charge move in the same turn. If the unit also has 10 or more models, you can re-roll all failed wound rolls instead.

Ogor Clubs and Blades: All Ogors know that two clubs are better than one. You can re-roll hit rolls of 1 for an Ogor armed with more than one Ogor Club or Blade.

Iron Fists: Each time you make a successful save roll of 6 or more for a unit of Ogors armed with Iron Fists, and the attacking unit is within 1", the attacking unit suffers 1 mortal wound after all of its attacks have been made.

Great Beast Skull: Roll a dice whenever an enemy model flees whilst its unit is within 6" of any Great Beast Skulls from your army. On a 6, another model immediately flees from that unit.

Tribal Banner: You can re-roll dice rolls of 6 when taking battleshock tests for a unit that includes any Tribal Banners.

Lookout Grot: Roll a dice whenever a unit with a Lookout Grot suffers a wound or mortal wound from a missile weapon. On a 6, the Lookout Grot screeches a warning in time and that wound is ignored.
