DESCRIPTION

A unit of Skink Handlers can have any number of models. Each Skink Handler is equipped with a Goad-spear, which they use to encourage seraphon war beasts to advance on the foe, or to jab at enemies who get too close.

ABILITIES

Aim for their Eyes: If you roll a hit roll of 6 or more for a Goad-spear, that attack has struck the target in the eyes and wounds automatically – there is no need to make a wound roll for that attack.

MAGIC

SLANN WIZARDS know the Summon Skink Handlers spell, in addition to any others they know.

SUMMON SKINK HANDLERS

Summon Skink Handlers has a casting value of 4. If successfully cast, you can set up a unit of up to 3 Skink Handlers within 15" of the caster and more than 9" from any enemy models. The unit is added to your army but cannot move in the following movement phase.
