EIGHTFOLD DOOM-SIGIL

Eightfold Doom-Sigils are icons of Chaos in all its glory, blazing symbols of pure ruin. To fall in the presence of such a sorcerous construct is to be damned, for these lingering spells hungrily suck souls into the Realm of Chaos for the gods to feast upon, and a measure of this siphoned power is offered to those devoted who fight in the icon's shadow.

DESCRIPTION

An Eightfold Doom-Sigil is a single model.

MAGIC

Summon Eightfold Doom-Sigil: *Chanting invocations to the all-encompassing essence of undivided ruin, the shaman summons a burning icon of Chaotic supremacy.*

Summon Eightfold Doom-Sigil has a casting value of 5. Only **SLAVES TO DARKNESS**

WIZARDS can attempt to cast this spell. If successfully cast, set up an Eightfold Doom-Sigil model wholly within 12" of the caster.

ABILITIES

Empowered by Atrocity: *The souls of those slain in the presence of an Eightfold Doom-Sigil are absorbed by the magical manifestation, feeding the Dark Gods' eternal hunger and inspiring those mortal servants who fight nearby to battle on – even as their own lives are offered in tribute.*

Keep track of the number of models that are slain within 12" of this model each turn. At the end of each turn, roll a dice for each model that was slain within 12" of this model during that turn. For each 3+, the player whose turn is taking place must pick 1 **SLAVES TO DARKNESS** unit wholly within 18" of this model. Add 1 to the Attacks characteristic of that unit's melee weapons (excluding those of mounts) until that player's next hero phase. A unit cannot benefit from this ability more than once per turn.
