

# NEW PRIMARIS SPACE MARINES

The datasheets for the following units can be found within the models' boxes:

- Aggressor Squad
- Primaris Captain
- Primaris Librarian <sup>1</sup>
- Redemptor Dreadnought
- Reiver Squad

Add all of these units to the list of units that can be from the Blood Angels (pg 89, *Index: Imperium 1*), Dark Angels (pg 107, *Index: Imperium 1*), Space Wolves (pg 130, *Index Imperium 1*) and Deathwatch (pg 171, *Index: Imperium 1*) Chapters (or their Successors).

<sup>1</sup> Primaris Librarians from the Dark Angels gain the **DEATHWING** keyword and the **Unforgiven** ability (pg 107, *Index: Imperium 1*). Primaris Librarians from the Space Wolves generate their psychic powers from the Tempestas discipline (pg 131, *Index: Imperium 1*) instead of the Librarius discipline.

If you are playing a matched play game, the points cost for these models and any items of wargear they have are found below:
