CODEX: ADEPTUS MECHANICUS

Official Update Version 1.0

Although we strive to ensure that our rules are perfect, sometimes mistakes do creep in, or the intent of a rule isn't as clear as it might be. These documents collect amendments to the rules and present our responses to players' frequently asked questions. As they're updated regularly, each has a version number; when changes are made, the version number will be updated, and any changes from the previous version will be highlighted in **magenta**. Where a version number has a letter, e.g. 1.1a, this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

FAQs

Q: Do I need to spend reinforcement points to return units when using the Fresh Converts Stratagem?

A: No.

Q: If you have a Detachment which receives the Mars forge world dogma, and another Detachment which receives a different forge world dogma, what happens when rolling for Canticles of the Ommissiah? With Mars' dogma you roll two dice when determining Canticles and units with that dogma benefit from both results, but what happens for the other Detachment?

A: In such cases you would roll dice separately for the Canticles, rather than rolling for both together. The first Canticle rolled for would apply to all of your units with the Canticles of the Ommissiah ability, while the second would apply only to those units in Mars Detachments.
