Alongside the texture paints we sell a range of basing materials that can be combined to create unique bases. Below are a few examples (including the Sector Imperialis and Shattered Dominion bases) to show you what else is possible.

**Valhallan Blizzard**

Valhallan Blizzard enables you to create realistic snow effects on the bases of your miniatures. Simply apply it to your bases after everything else (including tufts) has been finished.

**Citadel Basing Kits**

Alongside the texture paints we sell a range of basing materials that can be combined to create unique bases. Below are a few examples (including the Sector Imperialis and Shattered Dominion bases) to show you what else is possible.
